

The Director

A White House memorandum dated 18 February 1957 and signed by Philip Young directs that within thirty days of the date of the memorandum the Heads of Departments and Independent Establishments will prepare and promulgate to their personnel a policy statement which fits their particular situation but definitely carries out the desires of the President and the Hoover Commission recommendations to keep career administrators out of "political controversies."

The attached proposed Agency Notice has been prepared to meet this requirement. Recommend signature.
